### Registration requirements

We acknowledge that the company concerned may refuse, in whole or in part, to accept us as a voting shareholder, based on legal restrictions on registration. We declare that we are registering the shares :

- for our own account and as our legal and economic property and not on a fiduciary basis or otherwise for any third party
- on a fiduciary basis (nominee) in our name but for a third party

---

### Authorization for inspection

The custodian bank is authorized to make this application available to the company concerned, or to advise the company of the information furnished here as well as subsequent changes. This also applies to changes which the custodian bank learns of by virtue of our banking relations. In case of safekeeping at home we undertake to inform the above company of any changes in the information provided here.

---

**Power of attorney to transfer** (only for registered shares not affected by the intermed securities)

We herewith authorize the company concerned to endorse or transfer our shares in our name in the event of subsequent sale. This power of attorney also applies to shares previously registered in our name. This power of attorney does not expire upon the incapacity of the grantor of the power of attorney and can only be refused by written memorandum and physical submission of the certificates to the company.

---

**Deferred/suppressed printing of securities**

We acknowledge that the order to transfer uncertified registered shares as well as to print and to deliver certificates can only be granted through the custodian bank. Shares of various companies are available in uncertified form only (suppressed printing of securities). In such cases, the shareholder may not claim to print or to deliver such registered shares certificates. However, upon request companies would be prepared to confirm the registered position of the shareholder in writing.
